OUR MISSION

The staff of the St. Mary's High School Soccer program believes in developing players through teamwork, positive reinforcement, and fostering a passion for the game itself. Campers will leave with the basic fundamentals intact and be prepared to play at the high school level.

CAMP OVERVIEW

The camp will focus on teaching each camper the basic skills of soccer. This includes juggling, trapping, passing, shooting, control, and defense. Scrimmages and games will be played so each camper will get the experience of a real high school match.

HOW TO PREPARE

Wear soccer gear (shoes, shin guards) and bring a water bottle. Additionally, campers should pack a small snack, as they are not permitted to leave the field during break.
