Re: SHUTTLE BUS SERVICE

Shuttle bus service to athletic team practices and/or home games will continue this spring. The shuttle service (school buses) will start departing the school at 2:35 and make as many runs to the fields as necessary. Final arrangements will be made once it is determined how many people from each team are going to use the service. Additional buses may be added if needed. The bus will only drop off your child to the practice or game field. Arrangements will still need to be made to pick your child up. The cost of the service will be \$150 per child using it. Checks should be made out to St. Mary's High School with Shuttle Bus Service written in the memo area. The service will begin on Monday, March 1. The service will be provided Monday through Friday on days in which there is a **full day of school**. If there is no school, there will be no shuttle bus service. The bus will depart from the front of the school. This is the same location from which normal bus service departs.

The Shuttle Bus will be available beginning Monday, March 1 through the end of the season.
